SR/DOB Memorandum No. 845

MEMORANDUM FOR: Chief, SR/IO

SUBJECT: Possible REDSKIN Potential

1. The following is a translation of excerpts of a letter dated 4 June 1957 received by AEFRIER-1 from a friend of his in Argentina, Vladimir BRODOVICH.

a. "...if corresponding American Authority are interested in that, I from my side may propose the following:

"To call my brother as a tourist from Poland to Argentina and here work out a plan, previously having it from interested party. I know that my brother will demonstrate willingness for he is fit for such job. One my brother-in-law is a lawyer in Vilno, the second brother-in-law is an engineer-technic in Minsk, the third is a 'lesniy' (supervisor in woods). In Poland I have a cousin who is a manager in an electric power station. We have many Byelorussians with education and with high positions and they all are our adherents. My brother in Poland has a good position and authority relations, who in private correspondence often expressed himself against communist exploitation and lives with hope the Bolshevik rule will soon end.

"Last time in his letter (my brother) wrote, that he would like to come to me (Argentina) as a tourist for few months if I could help him financially. And I would avail myself of this opportunity to set up a plan for work and on account of that to get some money to help him in transportation.

"Otherwise I may go there (to Poland) myself as a tourist, having previously acquiring Argentine citizenship, but for me it would be too dangerous. Therefore I would gladly support the first variant.

"These matters may be discussed broadly, but first we shall know the means which we will have at our disposition."

2. AEFRIER-1 informed this office that, "Mr. Vladimir BRODOVICH (Vladimir Druhovics) is about 35 years old, born in or near Klek (Miesviz) Byelorussia. He took part in Byelorussian Liberation Movement during last war and now is working actively in Argentina. I know him personally since 1949 and I think he is reliable man. He is married to cousin of my wife and her name is Wanda Hubert. They have a baby girl."
